

HLTAID003 Provide first aid

APS Training Group is a Registered Training Organisation (Provider No: 31588) governed by the Australian Skills Quality Authority and are pleased to offer this course.

Course outline: Identify, assess and minimise hazards in the situation that may pose a risk of injury or illness to self or others; Use available resources and equipment to make the casualty as comfortable as possible; Provide first aid management in accordance with established first aid principles and Australian Resuscitation Council (ARC) Guidelines and/or State/Territory regulations, legislation and policies and industry requirements.

Course structure: 1 day (8 hour) course. Students who have never completed a first aid course or have not participated in a course for over 4 years will need to complete a workbook (provided with a first aid manual) prior to the course and bring it completed to the training session.

Delivery mode: Face to face

Prerequisites: None

Who should attend:

- Persons required to hold a first aid certificate as part of their work
- Anyone wishing to gain the skills to provide first aid for personal use

Elements of Competency: 1. Assess the situation 2. Apply first aid procedures 3. Communicate details of the incident 4. Evaluate own performance 1a. Respond to signs of an unconscious casualty 2a. Perform CPR 3a. Communicate details of the incident.

Certification: Participants who demonstrate competency by passing both the theory and practical assessments will receive a *Statement of Attainment in HLTAID003 'Provide first aid'* issued by APS Training Group that is **valid for 3 years**. The CPR component (HLTAID001 'Provide cardiopulmonary resuscitation') is **valid for 1 year**.
